- Note:**
- The acceptance of this form by the state plumbing board does not qualify for the issuance of a plumbing contractor's license.
 - An affidavit must be submitted to the department annually.
 - In those instances where business or industrial procedure requires the regular employment of a full-time licensed master plumber, a licensed master plumber shall be authorized to secure permits for installations of plumbing on the premises owned or occupied and used by the business provided the licensed master plumber supervises the plumbing work and represents the business or industrial employer.
